

## **Historic Zoning Commission Meeting March 30, 2006**

**Attendees:** Pat Aldred, Wanda Barker, Larry Felts, Betty Friedlander

This very short meeting started at 6:31pm and ended at 6:43 pm (due to the town meeting starting at 7:00 pm. Two items were handled:

- The minutes from the previous meeting (January) were approved (Pat Aldred moved, Betty Friedlander seconded) unanimously.
- Darin Scheff (7280 Nolensville Road, the Feedmill). Pat Aldred moved and Wanda Barker seconded a motion to approve the changed Certificate of Appropriateness on enclosing the front of the barn. It was unanimously approved with the following changes noted: The wood would remain unpainted and allowed to weather to match the other buildings and a roll-up carriage door would replace the window on the south side of the building front. Also approved was the placing of gates between the feed mill and the barn in the evening for security purposes.

Respectively Submitted,

Betty Friedlander, Secretary

Approved:
